Magento Multiple Coupons

Introduction

Magento Multiple Coupons extension let your customers apply multiple coupons to increase their loyalty. It's very inconvenient for your customers to use all coupons for place several orders. Imagine, your customer has 2 coupons: 20% Magento discount code on every piece and 15$ flat discount. If he wants to make a significant purchase, he will be happy to use both coupons at once, while you'll get a loyal customer as a result.

The extension page: http://store.magenest.com/magento-extensions/multiple-coupons. html
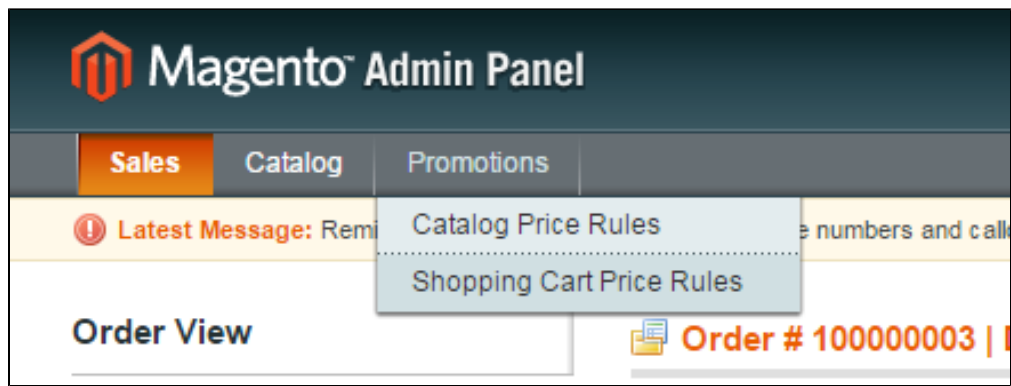

Requirements

Your store should be running on Magento Community Edition version 1.6.0 and earlier.

The Video Tutorial

Configuration

To configure coupons for your store, please go to **Promotions > Shopping cart Price Rules**.

Choose a rule

In the Rule Information tab you can describe the rule.

- Select Websites an Customer Groups for which this rule will be applied.
- Select **Specific Coupon** in this field to create a coupon.
- You can create Coupon Codes manually or use Auto Generation if you need multiple coupon codes.

Frontend

Your customers will be able to enter multiple coupon code right after you install the extension.

All applied coupon codes are also listed in the totals block.

All used coupon codes are in customer account order view:

Update

- When a bug fix or new feature is released, we will provide you with the module's new package. All you need to do is repeating the above installing steps and uploading the package onto your store. The code will automatically override.
- Flush the config cache. Your store and newly installed module should be working as expected.

Support

- We will reply to support requests after **2 business days**.
- We will offer **lifetime free update and 6 months free support for all of our paid products**. Support includes answering questions related to our products, bug/error fixing to make sure our products fit well in your site exactly like our demo.
- Support **DOES NOT** include other series such as customizing our products, installation and uninstallation service.

Once again, thank you for purchasing our extension. If you have any questions relating to this extension, please do not hesitate to contact us for support.
